

Holden Street Theatres

Red Phoenix Theatre 2017

With only two weeks to go this is not one to miss.

Red Phoenix has become an important part of the local theatre industry, receiving award nominations and great reviews.

The combination of great local talent and a dedication to the art of theatre wrapped up in the excitement of presenting only Premiere work is obviously a recipe for success.

Actors and directors love working on shows that haven't been seen by our audience and say there's a certain freedom in it, a chance to truly make it their own.

"The plays still have a good pedigree and have been tried and tested across the world. Michael finds them and creates a fresh new production just for the Holden Street audience. It's very exciting" - Martha Lott of HST said

"This is one of the funniest plays I've ever read...A Fascinating Mixture; Agatha Christie meets House of Cards" - Michael Eustice, Artistic Director of Red Phoenix Theatre Company

"There is so much that is brilliant in the conception of "The White House Murder Case," - NYTimes (1970)

★★★★ The Telegraph UK - The Orange Tree Theatre, Richmond. (2012)
